Question of Double Parking Comes to the Front Again

There is one question or problem that seems never to be settled in Hamlin—One thing Hamlin is noted for, far and wide, is its laxity of parking regulations. The automobile has brought many problems to every community and it would seem Hamlin has never really managed to handle the situation as it should be.

There have been many columns of type on the "Double parking" permit in Hamlin, and once or twice, once upon a time "double parking" has been stopped.

Now here is another angle: The Highway engineers realize that the few blocks in the center of Hamlin's business district are in a "holey" state and that somebody should do something about it. So the Herald has been ask to bring this matter before the public, especially the City Council, to secure some kind of cooperation in getting a more satisfactory clearance for through highway traffic in Hamlin, when the holes in the paving are mended.

Everybody who has been in an automobile down Hamlin's main street knows that the holes in the paving should be fixed. The Highway Department has assured the Herald that a substantial repairing job will be undertaken rightaway, before the cool weather stops this type of road work, provided the city and the public agree to leave open enough of the street for public travel without danger.

Now lets go into this "double parking" proposition. The Herald has kept in contact with the public on this subject. We have canvassed a number of farmers from various communities and we have not yet found a single person who approves the double system of parking.

Here is the way it works: Persons getting to an open space first, park their car and go about their business and then when they return to go home or go on, they find a car or maybe two right behind them and the owners gone with the keys. So the "head-end" parker just keeps parking till the car behind him is re-occupied and driven away. The double parker locks his car, goes off to the show or to trade or talk and lets "beganged" the fellow who wants to get out for home.

The double parking closes the

center of the street, till hardly enough room is left for two cars to pass, and sometimes, only one car can squeeze through. Through cars must creep through, and if it be stranger, he is scared at the congestion. The slow-down of traffic perhaps prevents many casualties. Folks have the habit of crossing the street anywhere they please, if they can squeeze in between the parked, and passing cars. Sometimes they are so close together that the skinniest legs cannot squeeze through.

It would seem the farmers do not like double parking. Wonder how the merchants and the Hamlin town folks like it? Will the stopping of this habit cause anybody to trade in other towns, or in suburban stores? Suppose someone does get peeved and try another town, and there finds he has to walk as far or farther than down in "good old Hamlin."

To stop double parking would make Hamlin appear better to the passer-by, or would it? To stop double parking would permit more main street speed, and maybe require more diligence in traffic control, by police or by lights. What town the size of Hamlin in Texas but has somewhere somekind of stop signs, lights or something to cool down speeders? Or maybe there are some signs out on the edges of Hamlin, saying "City Limits, speed, 20 miles." Those are everywhere and zip, we all go through the small towns and pay but little attention to them.

The Herald believes it is safe in saying the people of Hamlin, and the farmers of this community would appreciate repair of our main street and the stopping of the unusual parking so long existing to make Hamlin famous for that peculiar habit. Wonder if it would not help to try something to improve a bad condition?

Hamlin streets should have lights, at least in about three or four places. Intersection of highway 83 and 92 and a stop light at the junction of the Sweetwater road and 83 in south Hamlin; and three or four lights on main street. Finally every street crossing 92 on the Rotan end should have stop signs and every driver be made to stop without fail.

This brings up the subject of speeding on Hamlin streets. Last week a minister came to the Herald to place a warning plea for less speed in crossing Hamlin streets, especially since school has started. This is important, but not half so important as the "bicycle hazard." Hamlin has been fortunate lately in having few car accidents.

HAMLIN STREET NAMES SOON TO BE ERECTED

The N. Y. A. boys are making concrete sign plates for erecting at the intersection of Hamlin's streets. This will be another welcome improvement. These will be set up in "the" of the streets and avenues will come the numbers of houses, which is not so essential, except for pedlers and strangers.

RANK WEEDS CLUTTER

MOST VACANT LOTS, ALLEYS

Another protest came last week, (you see folks who want to kick about something get the newspaper to be the goat) The kick was about making alleys a dumping ground.

That's not all there is a "dung dumping ground" in less than a block of main street and only one block and half from the City Offices. So you see there is plenty to be done in Hamlin.

As an example of Civic cleanliness, the Herald would call attention to the four gins of Hamlin. It would seem that there is a gin-yard contest on here. The newest entrant in the cleaner gin yard is Tom Holland, a new comer, who found the Planters Gin weedy and everything else in an unattractive unpainted condition. Mr. Holland got a late start in cleaning up, but every day now his place looks better and brighter. It is worth taking a peep at as you pass, even from Central Avenue.

Mrs. John Reynolds and little daughter of Abilene were visiting Mrs. Reynolds' parents, Mr. and Mrs. Carroll Lee last week-end.

Some of the single boys about town are thinking seriously about joining the army before they are conscripted.

Tom Atkins who has been living on the plains for the past few months is back in McCaulley and plans to stay through the winter.

Mrs. Burl Bunkley has been employed as bookkeeper for R. B. Spencer lumber Co., here.

Miss Berta Lawson was visiting in the home of Mr. and Mrs. O. M. Henderson last week-end.

Doc Grisham former resident of McCaulley is a visitor in the home of Mr. and Mrs. G. C. Adcock.

McCauley got a good rain Saturday night and it looks as if we will get more. If there is anything

that puts a country on a boom it is good rains and of course some oil and we have both. Oil men from all parts of the country have their eye on McCaulley.

Mr. and Mrs. Alvin Gregg visited Miss Melba McKinney in Sweetwater last week end.

Mr. and Mrs. Ted Abbott and Mr. and Mrs. Joe Miers were shopping in Abilene last Saturday.

Marvin Rhoten who farms north of town has been employed at the Gyp Mill. We understand that the mill has several new hands.

Mr. and Mrs. Sam Blakley their daughter and husband visited in the home of Mrs. J. L. Maberry last week end, their home is in Kilgore.

Mr. and Mrs. Dolphus Scaggs made a trip to Graham on business last week-end.

Messers Monroe and J. W. Maberry entertained with a picnic at

the oil well on Monday evening of last week, honoring Mr. and Mrs. Joe Scaggs and Mr. and Mrs. A. Scaggs. Those present were John Frank Maberry and family, Mr. and Mrs. L. R. Maberry, Mr. and Mrs. Geo. Maberry and children, Mr. and Mrs. Fineless Bartlett and daughters and Mrs. Wimberley of Okla. A delightful supper was served by the hosts.

Mr. and Mrs. Nute Stephens were guests in the home of Mrs. Stephens parents last week end, their home is in Falls City Neb.

Mr. and Mrs. G. W. Martin visited in the home of Mr. and Mrs. Ellis Eivens last Sunday.

Mr. and Mrs. Cliff Crowley and son James Bennett of Houston were honored with a picnic Sunday afternoon at Lake Sweetwater. Those enjoying the occasion were: Mrs. J. J. Crowley, Gertrude Crowley; Mr. and Mrs. C. R. Crowley and family of McCaulley; Mr. and Mrs. C. H. Clark Sylvester; Mr. and Mrs. H. W. Madden and daughter, Hamlin; Mrs. J. W. Stephens and sons; Mr. and Mrs. Jerry Crowley and daughter; Mr. and Mrs. N. L. Crowley all of Royston; Mr. and Mrs. A. E. Crowley and family; Mr. and Mrs. H. T. **WE CAN THANK
OUR
LUCKY STARS
... and stripes**

SCHOOL BELLS are ringing for American boys and girls.

In many other lands today youngsters aren't so lucky.

Sirens are screaming in their ears, sending them scurrying into underground shelters.

We can thank our lucky stars and stripes for escape from such terrors. Our flag is a symbol of freedom in a country despised by oppressors who think Americans are far too rich.

We are rich. Gloriously rich. Not in money but in a wealth of the kind of things we can use and enjoy. For instance, with only 7% of the world's population, we have half of the world's railroads; half of the world's coffee is served on our tables; we consume two-thirds of the world's oil. We own more automobiles, radios, telephones than all the rest of the world put together. And, more important, we have the freedom to enjoy these things as we please.

Electric service is another good example. Electric service brings us light, music, refrigeration, easy washing, cool ironing, good coffee . . . for only a few cents a day.

Not only does electric service give us more of the good things of life but it brings them to us at a steadily lowered cost. Because of your increased demand for electricity, and our economical operation, electric rates during the past twelve or fifteen years have been cut about in half. And you can automatically reduce the average rate you pay still further; the more electricity you use each month, the lower your average rate will be.

The employees of your electric company are proud to be members of an industry that has always been among the leaders in giving the public more and better service for its money. And we are grateful to you for your help in making our efforts succeed.

Horse racing under pari-mutuel wagering netted the state \$1,148,000 in a two year period ending Jan. 16, 1937. Authority for that statement was Tom King, State Auditor, who had completed examination of the Texas racing commission. Of this huge sum, old age pensioners received \$257,345 or 22.41 per cent. The jack and stallion division collected \$68,463 in fees from ranchers and farmers who used the high blooded animals for breeding. Since legalized wagering on horse racing has been banned the price of horses and mules has gone down until it is a

PLANS FOR A PRESS CLUB

Tommy Hill was selected as editor of the school paper by the sponsors of the school paper. Herbie Faye Johnston has been selected as typist. All students are invited to report to the paper. Those who take an active part will become members of the Press Club, from which further organization of the staff will develop. Students interested in having a school paper are cordially invited to contribute freely.

The students and faculty appreciate Editor Bowen Pope of the Herald and all the force's co-operation in making a school paper for Hamlin High possible.

FROM THE HERALD:

The complete facilities of the Hamlin Herald and all the force are at the service of the public school, in all of its activities that make for a better school and community. The Herald will arrange and present the matter submitted by the Piper Staff to the best advantage, however, the "Piping For The Pipers" must be the voice of the Piper sponsors and staff. Let's "pipe" long, loud and always for an advancing spirit of progress.

A MESSAGE FROM THE SUPT.

As Superintendent of the Hamlin Schools, I wish to offer my congratulations to the fine student body we have enrolled this year. Nearly seven hundred fifty boys and girls from different homes and different walks of life have met in our schools on a great social level. They have taken up the work of maintaining our great civilization by preparing themselves as citizens.

Despite their many differences that naturally exist in so many individuals and the many different environments from which they come, our organization moves with a noticeable absence of discord.

Each student represents an investment for this community, and I congratulate the community in investing wisely in you. I am impressed with your value, your worthiness as a subject of investment, and I shall watch with great interest your growth and development that is sure to come this year.

JUNIOR CLASS ORGANIZES

The junior class met Thursday, September 19, and organized their class. Miss Camille Smyers was elected sponsor and Miss Emma John Blake as co-sponsor. The following class officers were elected: Milton Fletcher, president; Selma Hassen, vice-president; Hope Cade, secretary; Mary Nell Bell, reporter. All are planning to work together to make this the most successful junior class in the history of Hamlin High.

SOPHOMORES ELECT OFFICERS

The sophomore class was called to the auditorium last Friday, Sept. 20 to elect the class sponsor and the officers for the following term. Mr. Campbell was chosen the sponsor and Miss Murphree co-sponsor. With Mr. Campbell in charge, class officers were chosen as follows: Ellis Benham, president; Kolita Adkins, vice-president; Mary Jo Sills, secretary and treasurer; and Gwendolyn Duke, reporter.

Room mothers and fathers are Mr. and Mrs. Clements, Mr. and Mrs. Culbertson, and Mr. and Mrs. Witt.

FRESHMAN CLASS ORGANIZES

The freshman class met September 20, and elected the following officers and sponsors: Larry McCoy, president; W. T. Johnson, vice-president; Billie Dean Dunlap, secretary-treasurer; Frances Gardner, reporter; Miss Bernice Whiteley and Mr. Glen Caffey, teacher sponsors; and father and mother sponsors, Mr. and Mrs. M. T. York, and Mr. and Mrs. James Dunlap. The freshman class has a total of 71 members, 35 boys and 36 girls. It is expecting a grand year.

BAND CONFIDENT OF GOOD YEAR

One of the most active organizations in school is the band. Its total enrollment now is forty-five and more are expected to join later.

Organization took place last week, with the following officers: Hope Cade, president; Ellis Benham, vice-president; Joyce Hudson, secretary and treasurer; Charlotte Dillingham, reporter; Milton Fletcher, custodian; Billy Armstrong, librarian.

Class fathers and mothers for this year are Mr. and Mrs. W. R. Calhoun, Mr. and Mrs. M. T. Hudson, Mr. W. L. Fletcher and Mrs. Vera Nobles. Class colors are purple and gold, with corresponding

flowers of old maids and bachelor buttons. The senior queen for the year is Joyce Hudson, and her escort is Lofton Brown. She will be supported by the class for Hamlin High queen, to be crowned some time soon at the annual coronation ceremony.

The instrumentation as a whole amounts to forty-five or more instruments. Among the several new instruments that have been added this year are one oboe, one bassoon, one bass clarinet, one French horn, and a new pair of cymbals. Under the leadership of Mr. Clyde Smith and with almost two months hard work behind them, the band is confident of a successful year.

HAMLIN FFA LIVESTOCK TEAM BEGINS WORK

The Hamlin F.F.A. Livestock team that will represent Texas at the National Judging Contest to be held in Kansas City, Kansas, November 11, began practice judging Saturday.

The team members, Daron Switzer S. C. Ferguson, and Glen Winslett, and prospective alternates, H. L. Ford and Joe Sam Gray, went to Sylvester Saturday morning and practiced judging beef cattle at the Turner's Hereford Farm. Three classes were judged, one class of heifers and two classes of bulls. Since this was the first judging done since the State Contest last January, the boys were a little slow in getting started.

The team members averaged 85 on the three classes. The team members and their coach, R. H. Campbell, will go to the Fisher County Jack and Stallion Show to judge draft horses. Several other practice judging trips are being planned.

THREE FFA MEMBERS BUY REGISTERED STOCK

Glen Winslett, Raymond Gregory, and Earl Gregory have bought registered Hereford cows and calves from Walter Booth of Sweetwater.

These three boys are planning to go into the Hereford business eventually. They figured it would be better to buy cows and raise their own show calves than buy calves and have nothing left when the calves are sold.

The cows have been bred back to a registered bull, and if the off-springs are heifers, the boys will keep them to start their herd; but if they are bulls, they will make show calves out of them. If one will figure this over a period of several years, a nice little herd can be started from just one cow.

P.T. A.'S TO HAVE JOINT MEETING

The elementary and high school parent-teacher associations will have a joint meeting at the high school auditorium, October 1, at 7:30 P. M. All patrons of the school are urged to be present and get better acquainted with one another as well as with the teachers. A social will follow a brief program.

HAMLIN TRIMS

ROTAN 13 to 12

Fresh from their victory over the Lueders Pirates, the Pied Pipers of Hamlin trimmed the Rotan Yellow Hammers 13-12 last Friday night on the beautiful Pipers' Field.

Opportunity knocked twice for the Pipers in the first quarter, but due to their lack of goal line punch they were stopped by a courageous Rotan line.

After two more opportunities in the second quarter, the Pipers finally reached pay dirt on the fifth try when Johnson went over for a tally for Hamlin, leaving the score 7-0 at the end of the first half.

At the beginning of the 2nd half the Yellow Hammers came back with the vim and vigor of a robed hornet to score two touchdowns. At the closing of the third quarter, Rotan led by a score of 12-7.

Fighting with all the fury of real Pipers, the return of Captain Dean and W. A. Brown to the game inspired the Pipers, with Johnson totting the ball, to roll over for the deciding score. The Yellow Hammers with the passing combination of Underhill to Ragsdell brought the ball into Piper territory, but due to a fighting Piper team, or the lack of time, their offensive thrust failed. The game ended with the Pipers

leading, 13-12.

Hamlin led in first downs, 16 to 8. Outhill and Ragsdell, and for Hamlin, the entire student body, as the twelfth man, and the whole Piper team.

COACH AND ASSISTANT

COMMENT

(By Coaches Smith and Grigg)

We never realized just how much support the studentbody could give the football team. After Friday

night's game they play second to none. They were truly the twelfth man. The boys, as well as the coaches, really do appreciate it.

That R. A. Dean, Julia Pitcock, Verna Mae Sipe, Billy Joe Burton, Joyce Hudson, Geneva Huling, Harold Fletcher, Marguerite Nobles, Odean Murphree and Ethel Bell Neal

are members of the National Honor Society?

That Coach Smith has worked in an oil refinery?

That Fayrene Gardner had an appendix operation last week but is rapidly recovering?

JEAN YOUNG WINS HONORS

Jean Young, a member of the class of '40, won an honorable mention in the American Youth Forum Contest.

Jean's article was "Today's Challenge to American Youth." More than four hundred thousand high school students entered this contest.

Therefore, Jean made an accomplishment when she received honorable mention.

During her high school years, Jean entered several similar contests and always placed. As Jean is attending North Texas State Teachers College this year, the Pipers hope she wins recognition in her chosen field.

Jean is also a member of the Hamlin chapter of the National Honor Society.

Jean is the daughter of Mr. and Mrs. Fred Young of the Swedonia community.

It is good to see Harold Fletcher able to be back in school. His classmates are happy that he can finish with the senior class this year.

Joyce Hudson has missed school several days on account of illness.

Garden Club Organized Friday Afternoon

Fifty women met at the First Baptist church, Friday afternoon, to organize a garden club, with Mrs. J. L. Keen acting as chairman and Mrs. Arlie Cassle as secretary.

Following a talk by Mrs. Fred B. Moore on the general purpose of a garden club, a nominating committee composed of Mrs. W. C. Russell, Mrs. Q. Martin and Mrs. J. P. Morgan reported the nomination of the following officers which were elected by acclamation.

President, Mrs. Fred B. Moore; first vice-president, Mrs. J. W. Ezell; second vice-president, Mrs. R. E. Johnson; recording secretary, Mrs. Q. Martin; corresponding secretary, Mrs. J. L. Keen; historian, Mrs. Holly Toler; treasurer, Mrs. R. D. Moore; parliamentarian, Mrs. W. A. Albritton and reporter, Mrs. Jack Russell.

The club will be known as the Hamlin Garden Club and the purpose is to promote civic pride and beautification.

The next meeting will be held Friday afternoon, October 11, at the First Baptist church.

Honored on Birthday

Clydene Whitaker celebrated her eighth birthday Sept. 22, in her home, when her mother entertained with a dinner.

A happy and exciting time was enjoyed when guests gathered around to see Clydene cut her pretty birthday cake, topped with eight tiny candles.

Those present were: Jo Nita Balley of Hamlin, Edith Ann and K. T. Scott of Flat Top, Wanda Jo Teague of near Anson, Joy and Joann Agnew, Lola Fay and Wanda Ford, Betty Gene and Dorthia Jobe, Keith and Nelda Jobe, Patsy Garland and Robert Fletcher, Linda and Vada Jobe, Earnestine and E. Scott of Flat Top, Mr. and Mrs. Leland Sifer, Mr. and Mrs. Joe Teague of Anson, Mr. and Mrs. W. R. Wilkerson, Mrs. Andie Dixson and Mrs. Lowell Ballew of Hamlin.

Miss Betty Jo Abbott

Geo. Lee Masser Wed

In the McCaulley Methodist church Saturday evening at 9:00 o'clock, Miss Betty Jo Abbott became the bride of George Lee Masser, of Abilene. The pastor, Rev. Cecil Ottinger, read the ring service before an altar beautifully decorated with large white and pink dahlias.

Preceding the ceremony, Tilman Henson sang "I Love You Truly," accompanied at the piano by Mrs. L. E. Rector.

Mrs. Masser is the daughter of Mr. and Mrs. Ted Abbott, of McCaulley. The couple will be at home in Abilene after Sept. 23.

Out of town guests attending the wedding were Mr. and Mrs. George Masser, Mr. and Mrs. J. P. Masser, Mrs. A. E. Williams, Mrs. W. K. Hays, Mrs. Ruby Bass, Miss Velma Cook, and Mr. and Mrs. Ted Darby all of Abilene, and Mr. and Mrs. J. K. Redman, of Pampa.

After vainly trying to collect \$40 due him from one of his customers, the colored man consulted his lawyer.

"What reason," his lawyer asked, "does he give for not paying you this money?"

"Boss," said the colored gentleman, anxiously, "he's gimme a mighty good reason, sah."

"Well, what is it?"

"He done say, boss, dat he's been owin' me dat money so long dat de interest done et it all up."

Red and pink radiance roses were attractively arranged in the rooms where two tables of contract were in play. High score was made by Mrs. Holly Toler.

A plate holding salad, open face sandwiches, potato chips, olives and iced tea was served at the conclusion of the games.

Those playing were: Mmes. Holly Toler, R. H. McCurdy, G. H. Tumlin, John Ed Day, Goodson Sellers, Maurice Smith of Anson, Arche Pardue of Stamford and the hostess.

Former Hamlin Girl

Married in Cross Plains

The following announcement is taken from the Cross Plains Review of last week:

Marriage of Miss Oswald Hudson and Morgan (Boots) Harlow, both of Cross Plains, was solemnized at the altar of the Methodist church here Saturday evening at nine o'clock, with Rev. Floyd W. Thrash, pastor, reading the single ring ceremony. Attendants included Mr. and Mrs. Wilburn Barr, Miss Ida Mae Hudson, sister of the bride, and Miss Kathryn Hall.

Mr. and Mrs. Harlow left shortly after the ceremony for Abilene, Hamlin and other West Texas points for a brief bridal tour, before returning to Coleman, where he has accepted a position, to make their home.

The bride is the daughter of Mr. and Mrs. C. D. Hudson of this place. She is a graduate of Hamlin High school, having moved here with her family some four years ago. She was one of the most prominent and talented young ladies of this city and enjoys a large circle of friends.

The groom is the youngest son of Mrs. Frank Harlow. He is a graduate of Cross Plains High school, where he won wide recognition as an athlete. Local fans remember "Boots" as one of the greatest gridders ever to don the purple and gold for the Buffalo cause. He is a machinist and it is in this field of endeavor that he recently aligned himself at Coleman.

Mr. and Mrs. Harlow are at home at 207 E. Mesquite in Coleman.

Birthday Party

On Thursday, September the twenty-fifth, Mrs. Calvin Smith entertained her daughter, Virginia, with a party from four-thirty until six on the occasion of her third birthday.

A gorgeous array of gifts was displayed to the delight of the honoree and each young guest. Games were played on the lawn and afterwards the guests were led into the dining room where a large birthday cake centered the dining table. Multi-colored balloons were suspended from the lights over the table and each guest joined in singing a "Happy Birthday wish" for "Gingy."

Refreshments were served to Elizabeth Ann East, Suzanne Hudson, Charlene Sellers, Vernon David Middleton, Carl Albert and Linda, Dale Thompson, Sammie Frank and Lou Ree Vaughan, Alma Neidecken, Carol Ann Smith, Ronald Keith Parker, Patty Bennett, Jo Nita Balley and Barbara Flowers.

Grammar School P-T A To Give Annual Reception

The Annual reception for the Public School Faculty, sponsored by the Grammar School and High School Parent-Teacher Associations, will be held Tuesday evening, Oct. first, at seven-thirty o'clock in the High School Auditorium.

The purpose of this meeting is to give the teachers and parents an opportunity to become better acquainted that they may work together in furthering the advantages of the pupil.

A short program has been arranged, after which a social hour will be held. Every patron and friend of the school is urged to attend this meeting whether or not you plan to become an active member of the local Parent-Teacher Organization.

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently.

Here's one that usually fills all three requirements when the easy directions are followed. It's an *all-vegetable* product whose principal ingredient has medical recognition as an "intestinal tonic-laxative."

That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

Mrs. Burns Eakin was called to Eden this week because of the serious illness of her aunt.

J. S. Bond of Medford, Oregon, came in last Saturday to spend a short visit with relatives, Mrs. Arthur Hudson and Mrs. Floyd Winslett and V. R. Bond. While in Texas he will visit many relatives. He has lived in Oregon since 1922 and is charmed with that country.

Miss Fayrene Gardner who underwent an appendix operation last week in the Stamford Hospital was able to return home Monday. She is recovering nicely and will soon be able to resume her senior work in the High School.

Mr. and Mrs. John F. Beavers proud over the arrival of a daughter, Patricia Kay, whose birthday is Sept. 22, and it is "grandpa and grandma" Barney Beavers. Congratulations to all.

Announcing the big NEW FORD 1941 FORD

In some years, some cars take a big jump ahead. The Ford does that for 1941.

It has jumped ahead in size. It's the biggest Ford we've ever built, inside and out. It's wider. It has a longer wheelbase. Its seating room is wider by as much as 7 inches. It has new wide doors and semi-concealed running boards.

You'll notice also a new beauty, achieved by a skilful blending of mass with longer flowing lines. Larger windshield and windows give better vision all around.

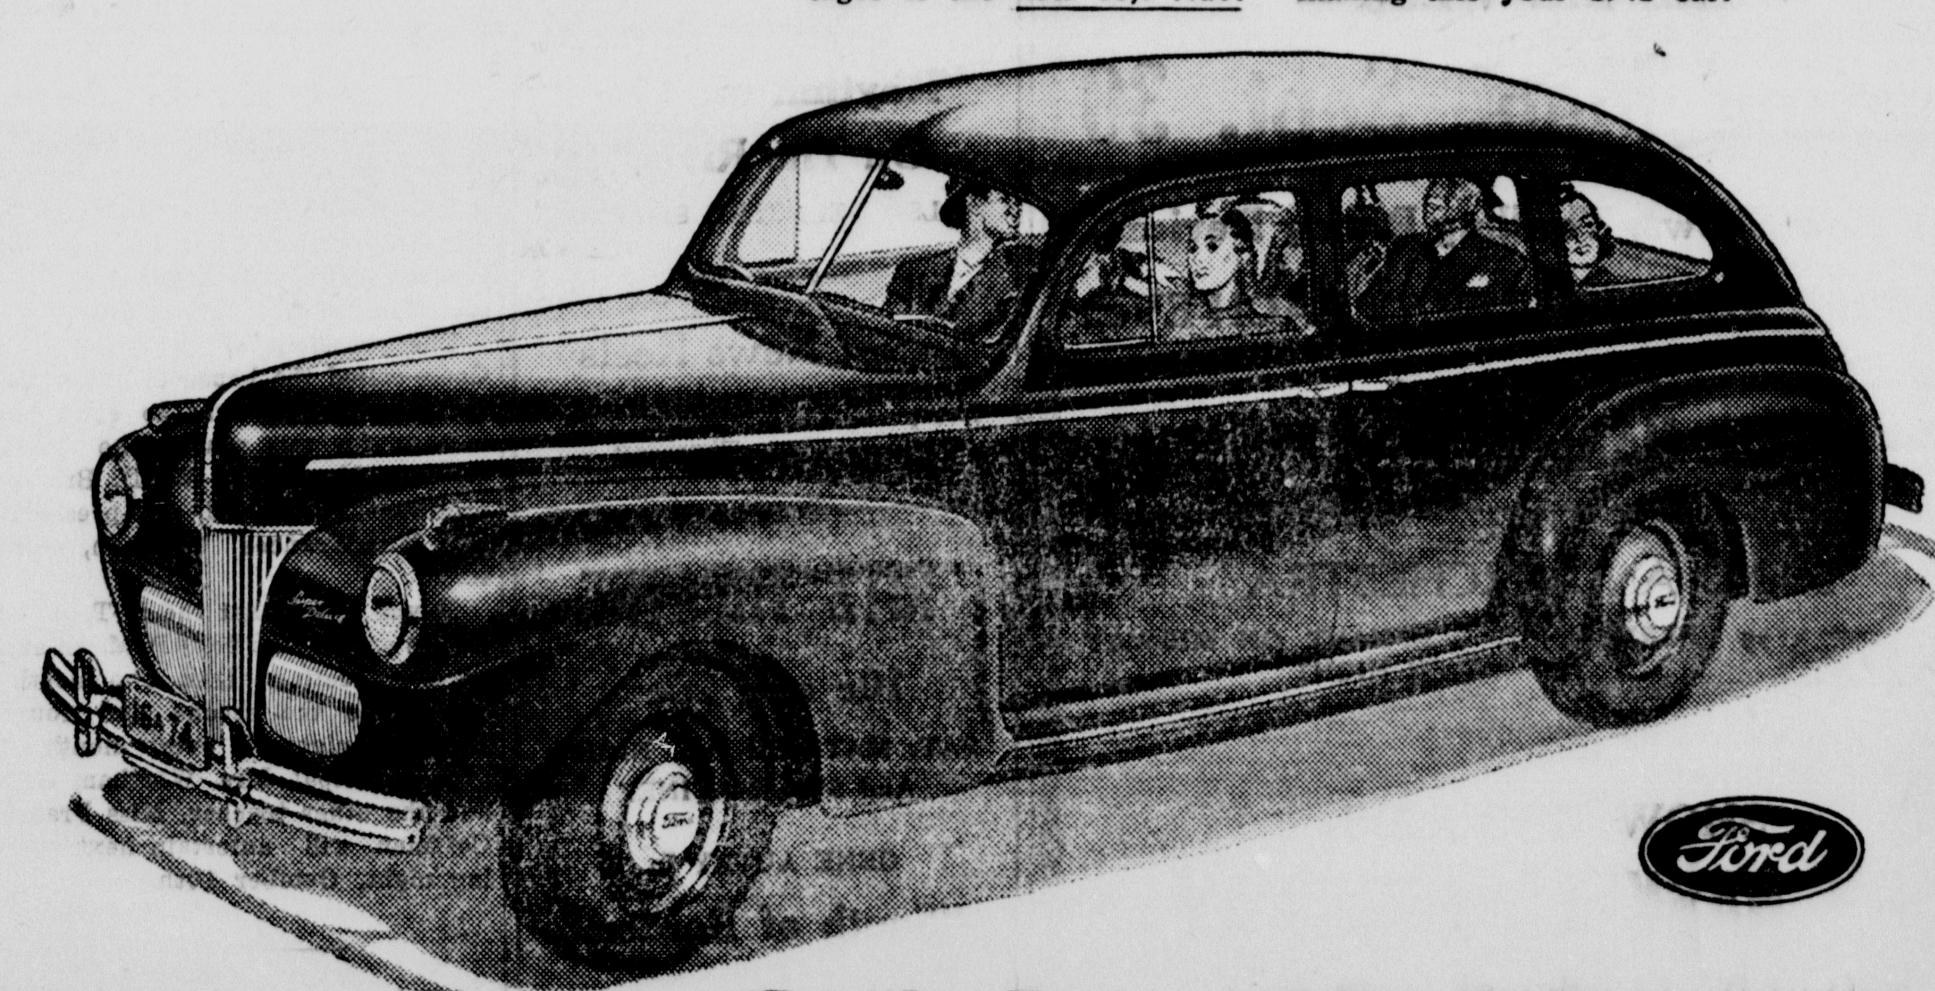

One of its biggest advantages is the new soft ride.

New, slower-action springs give a slow, gentle, gliding movement. A newly designed stabilizer helps absorb road shocks, and maintains balance on sharp curves and in cross winds.

More rapid acceleration to match its familiar speed and power makes this new Ford an even livelier car to drive.

These are only a few of this new car's outstanding features. It represents all the rich experience gained in building more than 28 million motor cars.

Any Ford dealer can give you many good reasons for making this your 1941 car.

P.T.A. Organized At Boyd Chapel

"Build-Up" Important Protector of Women

The Boyd Chapel school met on Thursday night, Sept. 19, and organized their Parent-Teachers Association for this school year.

The president of last year, J. B. Goze, called the house to order. The business meeting was to elect new officers for this year. The newly elected officers are: W. D. Bristow, president; Lee Ward, vice-president; and Miss Frances Coffman, secretary.

It was voted that the P.T.A. begin its sessions at 8:00 P. M. on each regular meeting night. The meeting nights are the second and fourth Thursday nights in every month.

The principal, Mrs. Wortham Crow and the other teacher, Miss Frances Coffman, will entertain next meeting night, October 10th.

A weak, undernourished condition often enables *functional dysmenorrhea* to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI's principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!
